Large Scoop Dust Pan

#1168

Durable, non-threaded, permanent handle connection point

Integrated teeth clean out broom bristles

Rubber Lip for better floor seal

Product Usage

For all clean-up needs involving larger debris pick-up. Particularly useful outside, as the pan shields debris from the wind. Great for use in parking lots, construction sites, plants and other commercial applications.

#1168 Large Scoop Dust Pan

Pan Width (a)	16"	Pan Depth (b)	14"
Pan Height (c)	9"	Handle Length	23"
Handle Diameter	1"	Hanger Hole	1.375" x 0.5"
Standing Total Height	33.5"		

- 16" wide dust pan fits all angle brooms.
- 1" thick steel handle with ergonomic handle grip, thumbrest, and hanger hole.
- Handle grip is angled for easier carrying – less stress on wrists.
- 3" long molded teeth to clean out broom bristles.
- Extra large capacity (210 sq. inches of space & 6.25" inside pan height) for the biggest debris and clean-ups.
- Enclosed pan keeps debris inside even if it is windy outside.
- Thick polypropylene mold for heavy-duty use. Rubber lip for better floor seal.
- Automatically tilts backwards while carrying to hold debris.
- Locks/unlocks in upright/open position.
- Electrostatic powder coated handle paint forms to any handle dings and will not chip.
- Iron phosphate conversion coating prevents rust if handle is scratched.
- Holds up to 30 lbs.

Commercial End Use

MRO, Plant, & Warehouse; Janitorial & BSC; Construction, Landscaping, & Farm
