

# New! Caution Wet Floor Sign

#1369

Open position

Unique locking tab locks sign in open or closed position

Closed position

## Product Usage

Excellent for any facility, especially high traffic areas. This sign can be used on all surfaces, rough or smooth. It works well both indoors and outdoors with a clip that locks it in the open position, which prevents the sign from collapsing and falling over from wind or a pedestrian bumping into it.

## #1369 Caution Wet Floor Sign

- Unique locking tab locks sign in open position to prevent collapse and closed position for easy storage
- A-frame, lightweight design for quick set up
- Bilingual for effective communication
- Special handle design allows user to simply pinch handle to open up the sign completely with one hand
- Heavy-duty polypropylene construction – 90% heavier (on average) than comparable signs
- Bright yellow color to stand out
- OSHA/ANSI – compliant text and graphic safety warning on both sides
- Folds flat for easy storage or transport on carts
- Slightly taller and wider than most comparable signs – more visible to pedestrians

Height (Open)	25"
Width Top	8.25"
Base Depth (Open)	18"

Height (Closed)	26.5"
Width Bottom	12.5"

## Commercial End Use

MRO, Plant & Warehouse; Foodservice; Janitorial & BSC; Hotel & Housekeeping; Office Products; Health Care & Assisted Care; Construction, Landscaping & Farm
